WORK EXPERIENCE

RS Tec Systems Inc.

Database Administrator Intern

Remote
August 2023 - October 2023

- Developed a resume parser that can parse through hundreds of resumes at a time
- Can take in multiple different inputs i.e. (.pdf, .docX, .doc, etc.)
- Participated in meetings with senior administrators and received and implemented feedback
- Utilized Google Sheets API to read/write data from resumes into spreadsheets
- Created data entry website using Flask and Bootstrap and made UI responsive

Iroquois Ridge High School

Full Stack Developer

Remote
August 2023 - September 2023

- Developed a website for Iroquois Ridge High School's Parent Engagement Program
- Used React alongside Strapi API so that parents on the school council could customize various aspects of the website using the Strapi backend
- Customized Bootstrap using Sass
- Worked alongside school board members and parent council to conceptualize the design
- Website link: <https://irhsparents.com/>

Spirit of Math Schools Inc.

Assistant Teacher

In-Person
September 2023 - Ongoing

- Taught advanced math concepts to high school students
- Assisted students who need help with homework and understanding lessons
- Participated in meetings alongside teachers to receive and implement feedback
- Worked with teachers to develop learning plans for students so that they can be successful
